

Garant**Service tool case of X-ABS wheeled with tool clips****Order data**

Order number	692705
GTIN	4045197375247
Item class	61G

Description**Version:**

X-ABS is extremely impact resistant, tough and thus **suitable for air travel**. The surface is scratch-resistant, **non-slip (rubberised effect)** and **does not damage surfaces**. Anodised double aluminium frame with integral toggle cylinder locks and glass fibre reinforced positioning hinges for case lid positioning.

Internally fitted with tool clips:

- 1 base shell with sub-divisions including tool board with
- 1 tool holder as a cover (similar to No. 692750).
- 1 tool board with 2 tool holders (No. 692720).
- 1 board for documents, fixed to the cover.

Application:

Optimal case for customer service and service engineers due to the shell material, which does not damage surfaces, and high strength with low weight.

Characteristics case: suitable for air travel

Internal dimension length: 460 mm

Internal dimension width: 360 mm

Internal dimension height: 190 mm

Weight: 6.6 kg

Technical description

Internal dimension length	460 mm
Internal dimension height	190 mm
Internal dimension width	360 mm
Weight	6.6 kg
Material	X-ABS
Type of tool storage	Clip holders
Case load capacity	30 kg
Characteristics case	suitable for air travel
Type of product	Tool transport system

Accessories
